1	Safe place to bike/walk would be nice the town maintain the trail and have it be up to standards of surrounding towns.	7/22/2024 9:09 PM
2	For bikes? Vehicle traffic would still be a problem. It is not very enjoyable to be in the woods and see people's backyards. All wooded area would be great.	7/22/2024 8:40 PM
3	Hobo highway and place for homeless to camp out.	7/22/2024 7:51 PM
4	What would keep non-residents from using?	7/21/2024 8:48 PM
5	WHAT'S THE HOLD UP?	7/20/2024 5:40 PM
6	You've read my comments.	7/20/2024 5:18 PM
7	Not for cars	5/1/2024 4:29 AM
8	Yes!!!!!! I now walk/bike the rail trail from Seabrook connector to Salisbury and also Newburyport on a regular basis. Please, please, please make this a priority. I think this would be a huge asset to the community. A food truck spot along the rail trail near the Library would be kind of cool too.	4/30/2024 12:28 PM
9	This will be an amazing asset for the town	4/28/2024 5:28 PM

16	Definitely agree and think this should be a priority. Leverage Seabrook funds to obtain government and private grants to work on this project	4/22/2024 6:30 AM
17	see above. connect with current Massachusetts Rail Trail	4/19/2024 12:07 PM
18	I'm not sure where it would be located, but as long as it doesn't interfere with the scenic beauty we have with the marshes, etc. You should also look into the issues that Salisbury and Amesbury have with their rail trails. People leaving trash, homeless people camping out. It could inadvertently end up consuming our resources like police and DPW for the wrong reasons.	4/19/2024 10:45 AM
19	But needs to be safe, I am told a number of homeless people live on the trail. Services to assist the homeless would be important. The rail trails in the area a big asset and would be to Seabrook as well.	4/19/2024 9:46 AM
20	Yes this needs to be done asap and also connect to a town center near the trail .. possibly by the library.	4/18/2024 8:12 PM
21	Will need police presence once in a while	4/18/2024 5:09 PM
22	Not aware of the proposed rail trail	4/18/2024 4:39 PM
23	I'm not sure at this time	4/18/2024 3:54 PM
24	We walk a lot of different trails all over. We enjoy the trails.	4/17/2024 11:33 AM
25	i use it several times a week ,it needs to be continued all the way to portsmouth .should not stop at old fire station .i see alot of people on it want to see it go further ,and i do use it on bicycle to get to places faster rather than use car i love it .want to see it completed before i die	4/16/2024 3:11 PM
26	Just finish it already	4/15/2024 9:44 AM
27	Rail trail should be closed to car traffic. Would love to see rail trail connected to Salisbury and connect north	4/14/2024 8:29 PM
28	Brings ignorant people that let their dogs shit everywhere and don't pick it up like in Salisbury	4/13/2024 11:27 AM
29	Finishing the rail trail and adding improvements like Paving and parking with Redt stop facilities would be a great asset.	4/13/2024 9:03 AM
30	I use the rail trail from here to newbury port almost daily in summer and very often in other seasons and I always meet someone else using it!	4/13/2024 8:57 AM
31	I am firmly in favor of the rail trail	4/12/2024 2:50 PM
32	Please prioritize the trail.	4/12/2024 1:36 PM
33	PLEASE, DON'T BE THE ONLY TOWN THAT WONT COMPLETE THIS ON THE COAST!	4/12/2024 7:02 AM
34	I would live to see a railtrail built connecting us to mass to the south and north to Portsmouth , including a bridge over Walton Rd like the bridge over Rt 1 in Salisbury.	4/11/2024 5:52 PM
35	I suspect the rail trail will turn into a haven for heroin addicts and other degenerates	4/11/2024 5:27 PM
36	N	4/11/2024 4:40 PM
37	I would like Seabrook's rail trail become as nice as Salisbur	4/11/2024 4:11 PM
38	Other communities have done it, I see no reason we can't get this done today. I think it's a great benefit to those who want to walk or bike in today's society where most people drive everywhere.	4/11/2024 4:08 PM

## Seabrook Master Plan Survey

39	YES	4/11/2024 5:52 AM
40	It seems important to link towns with the rail trail	4/10/2024 3:55 PM
41	Agree only if it will not be paved. A trail in the woods should be dirt	4/9/2024 7:09 PM
42	Very supportive of this!!!!	4/8/2024 1:51 PM
43	It would also make it more appealing as a community to settle in.	4/8/2024 12:05 PM
44	Hope it will tie into Hampton trails	4/8/2024 9:46 AM
45	Would love it!	4/7/2024 12:35 PM
46	I am 100% in favor of the rail trail.	4/7/2024 11:54 AM

49	Yes that would be Excellent! We love & use the trail rails from Spring to November all walks of life it's a beautiful thing	4/6/2024 4:55 PM
50	over the years I have seen alot of bad things happen on the trails in this state and ma. when you open trails like that, who will p;oice them to stop the problems that are going to happen on them??	4/6/2024 3:10 PM
51	I think the rail trail is fantastic but we don't use it to avoid the roads. We use it as an activity.	4/6/2024 1:57 PM
52	This is the most exciting thing for Seabrook at the moment. Need more attention on this. The existing trail from Seabrook to Salisbury is one of Seabrook's greatest assets.	4/6/2024 12:34 PM
53	But the fact that the section from Walton road to 286 is being ignored.	4/6/2024 12:22 PM
54	Only use should be recreational!!	4/6/2024 11:31 AM
55	I love the rail trail that goes from seabrook into Salisbury to amesbury. Would love to see more of this!!	4/6/2024 11:05 AM
56	Need more information about the rail trail, start/end, stops, times, purposes.	4/4/2024 8:42 PM
57	Keep it new and exciting!	4/2/2024 9:48 PM
58	So many other communities throughout this nation have wonderful, biking, and walking rail trails... So important for Seabrook to have the same and to connect to the greater community	4/2/2024 4:45 PM
59	Yay, so true 😊	4/2/2024 4:27 PM
60	That part of the trail should be left alone and kids allowed to ride off road bikes there	4/2/2024 4:13 PM
61	We need to connect. Would be great opportunity for the town.	4/2/2024 2:46 PM
62	A single gallon of diesel can move one ton of freight 480 miles via rail. The rail trail is the greatest attack on our sustainability that could ever be imagined. This whole movement is beyond repulsive on every level. We have rt 1a for all the people that need to get out there. Again... There is no longer rail service between Manchester Portland and Boston... This is one more incredible failure.	4/2/2024 2:37 PM
63	As long as it doesn't put more burden on tax payers	4/2/2024 1:54 PM
64	Not if it will be at the cost the taxpayers to maintain the trails. Someone would have to pay for clean up and safety.	4/2/2024 12:47 PM
65	Recreational use- not sure how it would help traffic issue	4/2/2024 12:45 PM
66	I strongly believe the rail trail would be an asset especially if it had access to businesses and rec centers	4/2/2024 12:44 PM
