#	RESPONSES	DATE
1	Second fire station	7/22/2024 9:29 PM
2	Some commercial space seems abandoned structure falling apart. Should be forced to clean up.	7/22/2024 9:25 PM
3	Community gardens, studios for making art.	7/22/2024 9:19 PM
4	The staff at the rec center are terrific, however the facility is in dire need of repairs.	7/22/2024 9:05 PM
5	Definitely need a senior center and another senior housing building	7/22/2024 8:59 PM
6	Town Hall addition	7/22/2024 8:52 PM
7	Would like to have a farmers market and maker market from spring thru fall. Maybe on a Saturday. They can bring their own tables and setup. Maybe each person can pay a small seasonal fee to display and sell items. Town could make money as well as the sellers. Could be something that attracts folks in Seabrook? Nutritious food as an alternative to grocery stores.	7/22/2024 8:32 PM
8	swimming pool	7/22/2024 7:47 PM
9	Rec department needs upgrading for all. Beach parking needs to be fixed. 20' road cut for all.	7/22/2024 7:39 PM
10	More for residents. Not for out of state coming in. Less for outsiders.	7/22/2024 7:23 PM
11	Rec center expansion	7/22/2024 7:05 PM
12	Depends where the growth is. Police, fire, schools. We need some sort of impact fee for developers, and should have had one way before the 20th century.	7/22/2024 6:55 PM
13	More trees, less commercial.	7/22/2024 6:47 PM
14	Larger Town Office spaces	7/22/2024 6:32 PM

16	More public parking	7/21/2024 8:26 PM
17	All buildings need newer upgrades inside.	7/20/2024 6:38 PM
18	We don't have a real downtown or center. And no place or space. I don't know how that could be done, but it would be interesting to gather a group of people together to come up with some alternatives. The rec center rooms need a major overhaul.. painting, carpeting, drapes, maintenance needs to be improved, not always clean. Perhaps room just designated for kids and others for adult classes.Would like to see available areas used for real parks, open spaces, trees, flowering shrubs and flowers. Perhaps form a garden club like Hampton to volunteer. And benches, water feature. However I understand it would be a costly undertaking - or would it? Would like to see more kinds of plastics for recycling beyond 1 & 2.	7/20/2024 6:11 PM
19	Would like to see the transfer station swap-shop reopened.	7/20/2024 5:52 PM
20	Senior center. Walk-run-bike path that is usable and connects to those south and north of Seabrook. Get with it, every town has one.	7/20/2024 5:05 PM

30	More police presence at night in the Seabrook Beach District in summer for use of fireworks. We recently moved on the beach and were disappointed by the number of fireworks going off front of our house. Very close to us and our poor dog was terrified. One house goes up from the sparks landing, we all go up.	4/24/2024 2:02 PM
31	More Resident parking at the beach. Securing public woods.	4/24/2024 12:40 PM

43	High School	4/22/2024 11:05 AM
44	Can't think of anything	4/22/2024 9:15 AM
45	The town should support construction of the rail trail. I can not detect any interest by the town, currently. The existing trail in Massachusetts are well developed and will be a great immediate network if and when they are connected to Seabrook.	4/22/2024 6:22 AM
46	Reduce Town taxes	4/21/2024 10:04 PM

55	Senior center	4/19/2024 5:56 PM
56	There should be parking meters on the right side of the Seabrook harbor. Raise money for the town to help with taxes.	4/19/2024 4:13 PM
57	Dog parks, walking trails, parks in general. More outdoor things to do!	4/19/2024 4:01 PM

59	More community spaces where people can freely meet - more playgrounds, perhaps expand the rec.	4/19/2024 11:08 AM
60	Somewhere outside for the kids to go, like a basketball court, skateboard park, a drive-in theatre would be very cool. Maybe where the abandoned Ames store is. I put unsatisfied for the library because we're turning people away. When my kids were small and our primary residence was in MA, and we had a house in Seabrook, they wouldn't give me a library card because the address on my license was MA, even though we had an address in Seabrook. The library can't be sustained by turning people away.	4/19/2024 10:28 AM
61	Not sure	4/19/2024 9:19 AM

65	Seabrook beach playground	4/18/2024 8:33 PM
66	We need more green space / park area for all ages and multi use. We really need to get moving on the rail trail and make sure there is at least one mile or so that has a paved section for the elderly or impaired. The town is one of the last to complete the trail and so much could be done. A central area could congregate around the town library with maybe some public facilities and a small park for kids or even dog.. very similar to how Salisbury and Newburyport does it:	4/18/2024 7:47 PM
67	Coastal flooding plan. Flooding could materially impair the backspace in a very negative way	4/18/2024 7:00 PM
68	Adequate town, recreational facilities for Pickleball and other outdoor games	4/18/2024 5:52 PM

74	Public Transportation. A small bus and a pay per trip fee. A teen center.	4/18/2024 1:12 PM

77	Not sure	4/17/2024 6:45 PM
78	I believe that we do enough, until we can lower taxes I don't feel that we need to explore how to spend more money, hire more people. We are still a small town.	4/17/2024 11:23 AM
79	would like to see the rail trail completed all the way to portsmouth before i die .its a mess old railroad bridge on walton road is a hazard and eye sore ,also lots of homeless tents along old rail bed not safe to walk	4/16/2024 2:47 PM
80	Rail trail	4/15/2024 9:36 PM
81	Additional pickleball courts are needed (both indoor and outdoor). Currently indoor courts are not available when children are using rec center.	4/15/2024 5:34 PM

96	Let dirtbikes ride on the roads to get from trail to trail and to get gas	4/13/2024 8:27 AM
97	Better traffic flow, improve the "round about" around the town hall, remove the rocks where the train tracks used to go over the road on Walton, longer hours for the transfer station, a bulky day to pick up large items from homes, make the green light longer leaving Walmart/CVS onto 107 or left or right onto 1.	4/12/2024 7:27 PM
98	Rail trail	4/12/2024 7:05 PM

100	Better sports field and facilities. Tennis courts, pickleball, pool at the rec.	4/12/2024 2:46 PM
101	You should allow food trucks like the ice cream man stop at beach inferences . Years ago it was allowed.	4/12/2024 2:14 PM
102	The rail trail between Salisbury and Hampton falls should be completed spanning the town of Seabrook.	4/12/2024 1:24 PM
103	More little kids stuff	4/12/2024 11:38 AM
104	We rolled more police presence at the beach. Especially at night from may to September.	4/12/2024 8:23 AM
105	Annual maintenance is the most important to make sure the assets we have last. Vehicles, buildings and natural resources are all very important. Utilizing our resources and capacity at the water and sewer department and being able to sell the services to neighboring towns on need for a profit! Serious consideration should be placed to encourage safe, licensed childcare is located in town to enable families to work with their children receiving a stimulating environment and prepared for socialization and the foundation to learn. Locations to be off the Rt 1 corridor in a quiet natural environment.	4/12/2024 6:56 AM
106	A dog park would be nice.	4/12/2024 6:44 AM

112	It would be good if that land at the phonecian motel would be utilized for something positive, if the town purchased it that is.	4/11/2024 7:46 PM
113	Protect our water sources,	4/11/2024 6:41 PM
114	The Senior Center is the most important in my mind, but it would be nice to have a place where clothing & other items can be donated to the needy, Good Will doesn't cut it.	4/11/2024 6:24 PM
115	Establish the rail trail for biking and walking connecting south to Massachusetts and north toward Portsmouth.	4/11/2024 5:35 PM
116	I would love to see the recreation department renew its tennis/pickleball courts, build a community pavilion and other outdoor opportunities; skate park (at rec), etc. Build more space within the rec. Center. Become the afterschool hub of the town (as we were before the Seabrook Adventure Zone).	4/11/2024 5:33 PM
117	More green space	4/11/2024 5:32 PM
118	Rail Trail	4/11/2024 4:42 PM
119	The rec center needs better staffing to more adequately monitor kids.	4/11/2024 4:07 PM
120	The capability to handle more traffic	4/11/2024 3:40 PM
121	Skate park and a community pool	4/11/2024 3:32 PM
122	There always seems to be water damage to roads around Beckman Woods and around the fire hydrant on Farm Lane and often wonder if there is a water leak somewhere under the road. Always on the right-hand side, heading east. I do know that some folks are pumping out their basements on Farm Lane. Yikes! Problem (road cracks) has been there long before this year's rain. Not their fault for sure. Even down by the dock-wet road cracks	4/11/2024 3:27 PM
123	We need more police to patrol the beach for drinking and drug use.	4/11/2024 3:01 PM
124	That all depend who you ask. For me I hope seabrook stay where it is and not get any bigger.	4/11/2024 2:57 PM
125	Better boat dock. Also beach parking for residents is an issue with the rich folks at the beach	4/11/2024 2:55 PM
126	N/A	4/11/2024 2:47 PM
127	The rail trail would be beneficial to keep people active and would create beautiful green spaces for the community	4/11/2024 9:29 AM
128	Bike lanes	4/11/2024 5:46 AM
129	.	4/10/2024 11:38 PM

131	Another grocery store like Trader Joe's. Less smoke shops. A surf shop Movie theater Gentleman's club	4/10/2024 6:42 PM
132	Community track for walking	4/10/2024 6:32 PM
133	Trails and paths as best as can be expected within the geographic confines of the town. Minimize commercial building, as it is already too much of a strain on resources, like water and town services.	4/10/2024 5:21 PM
134	rail trail completion for the benefit of everyone	4/10/2024 5:07 PM
135	We'd prefer more local restaurants. (Or small chains, love Reds)	4/10/2024 4:44 PM
136	Town lacks a park- hard to discern when one could be located. What about the land behind the rec center- back where the tennis courts are? Is there usable space back there?	4/10/2024 3:45 PM
137	Services to assist seniors in getting to doctors appointments and grocery shopping	4/10/2024 2:25 PM
138	Less smoke shops. Less mattress stores. More community involvement. Area for a band stand. Weekly gatherings at the band stand. Craft fairs etc.	4/10/2024 1:41 PM

Seabrook Master Plan Survey

139	nothing else needed	4/10/2024 1:39 PM
140	Road up keep street I have lived on for twenty plus years is in need of fixing never been touched	4/10/2024 1:19 PM
141	Teen activities	4/10/2024 3:16 AM
142	The town needs to focus on the massive congestion of Rte. 1 and appropriately tax Wal-Mart and the other box chain stores that thrive off the traffic coming from 95. Also, the connecting road - Liberty Lane - behind the Library connecting to the shopping center should be increased in size and made available to the public.	4/9/2024 7:20 PM
143	None... NO MORE GROWING. Keep the woods and land we have left.	4/9/2024 6:35 PM
144	Increase the tax base by Encouraging light industrial commercial office building	4/9/2024 5:16 PM
145	Unfortunately, I don't know any parks in Seabrook. Would like to have sidewalk on Stard road.	4/9/2024 4:45 PM
146	Add drainage on street	4/9/2024 4:34 PM
147	Downtown beautification. Finish sidewalks on Stard road to Rte 107.	4/9/2024 2:54 PM

150	-Its own high school -A downtown would be cool -Widening of route 1 and 95 and 107	4/9/2024 12:20 PM
151	The town needs to take care of its number one resource, the beach. Insignificant money is used for beach walkway maintenance. It is owned by the town, not the beach residents.	4/9/2024 11:41 AM
152	A dog park	4/9/2024 8:07 AM
153	Better schools -	4/9/2024 7:43 AM

157	Feeding the hungry center.	4/8/2024 3:28 PM
158	Improved recreational spaces like rail trail	4/8/2024 1:39 PM
159	I believe we need an expanded Community Center, parks that will appeal to teens, more programs that will draw our teens to participate. We desperately need a senior center.	4/8/2024 11:53 AM
160	The Parks and fields need to be better maintained year round landscape and trash pick-up. Invest in earth days/clean-up of streets, parks, waterways. Need to extend Rail Trail and/or create a walking/bike trail for families to enjoy.	4/8/2024 10:47 AM
161	With constant tax increases on our homes, residential burden exists. People will not be able to afford their houses and particularly on the beach, the building that exists is ridiculous and I can't even wash my windows. The beach area is becoming more overcrowded by the month. The tax burden needs be the businesses burden as we are having Massachusetts people using our roads because we are neighbors and no taxes on their goods.	4/8/2024 9:55 AM
162	Adult education, athletics, music school	4/8/2024 9:48 AM
163	Better play grounds with more children things to play on. Example Amesbury Ma has the ultimate park for family's and children. They even have a fun water park.	4/8/2024 9:32 AM
164	better care of the beach and roads, route 286 too much trash, traffic on route 1 is becoming unbearable (unless you know what time to go to Market Basket), managing cross border traffic, teachers need to be paid more, updates to the school facilities, improve Rte. 107 for shopping	4/8/2024 6:50 AM
165	I would love to see an off leash dog park for residents only. I would like to see it split into 2 parts, dogs under 25lbs and dogs over 25lbs to separate the difference weight classes and keep little dogs from getting hurt.	4/7/2024 5:15 PM
166	?	4/7/2024 4:32 PM

Seabrook Master Plan Survey

167	Police station at the beach	4/7/2024 4:12 PM
168	More outdoor areas, walking trails. Sidewalks on current roads, updated police dept.	4/7/2024 3:31 PM
169	Grown enough already.	4/7/2024 3:09 PM
170	Parking for residents at the beach. Beach property owners are only supposed to have 20feet of driveway and a lot have paved driveways way beyond that length. Town residents have the right to park along this extra space in their driveway parallel to the road. This needs to be resolved.	4/7/2024 1:25 PM
171	I think just beautifying the places that we already have make a big difference. I think utilizing the billings we already have is sufficient	4/7/2024 12:27 PM
172	I would love to see more for the kids and recreation. Completion of the rail trail, better maintained/improved sports fields and facilities(similar to tuck in Hampton). Basketball, tennis and pickleball courts. Renovating the community center, adding a pool.	4/7/2024 11:48 AM
173	Expanded services for the elderly as more of our population grows older. Recreational space and opportunities designed for seniors.	4/7/2024 10:18 AM

177	Less Democrats	4/6/2024 5:17 PM
178	Elderly transportation, senior center, food pantry.	4/6/2024 4:39 PM
179	None	4/6/2024 4:22 PM
180	A better school for our kids to earn an education. Seabrook school system is horrendous and as a result citizens suffer and future generations will suffer.	4/6/2024 3:45 PM
181	Upgrade youth facilities.	4/6/2024 3:15 PM
182	Indoor and outdoor pickleball courts	4/6/2024 3:10 PM
183	The town should enhance/improve existing facilities/spaces rather than build or create new ones	4/6/2024 3:10 PM
184	N/A	4/6/2024 3:03 PM
185	It would be nice to have a senior center	4/6/2024 2:47 PM
186	None it is getting to big as it is.	4/6/2024 2:41 PM
187	This tow has already grown too much. I bought my house here 26 years ago because it was a nice quiet fishing town. Local government added far too much big business which has brought an enormous amount of traffic year round. My tax rate has MORE THAN TRIPLED.	4/6/2024 1:58 PM
188	Something more the kids to do in town would be nice. Keep them off the streets and out of trouble.	4/6/2024 1:51 PM
189	Better/higher end restaurants that are open year round. Beautification efforts almost everywhere.	4/6/2024 1:16 PM
190	55 townhouse community like maplevale in East Kingston	4/6/2024 12:56 PM
191	None. Too much growth that is not being controlled like South Hampton, Kingston and other localities. A few individuals are getting to build wherever they want and how they want. The town is selling property it owns to certain few individuals and then giving them to over develop with little or no restrictions. Stop the growth and reduce spending. Our taxes are skyrocketing because of all the overdevelopment in town placing an extra burden on police and fire departments. Another thing to look at is people moving here from out of state and then being able to get into Senior housing 3 years later. This needs to change. Make it 10 or more years in order to qualify. Its6too easy for people to take advantage. Stop the growth is a good part of moving forward with the master plan.	4/6/2024 12:42 PM
192	Youth center	4/6/2024 12:29 PM

193	None. Lower taxes	4/6/2024 12:22 PM

198	Sides of roads need become litter free, too much trash on sides on roads. People who post signs should be fined if they don't remove them	4/6/2024 11:24 AM
199	Hopefully the town stops growing! Just keeping up with the facilities that we now have an improving on them is sufficient.	4/6/2024 10:57 AM
200	Housing	4/6/2024 7:15 AM
201	Building codes, clean yards not allow nice properties values to go down by some lots look like junk yards brings down whole town, proper space between property, hard water is distroying apolicances heating sytems, add sidewalks on walton, better quality standards at the school, clean no needles on rail trail to walk safely, better playing fields for kids clean, maybe a track, basketball, tennis courts, allow residents tax payers. to be able to park at the beach not just seasonal renters tying up the spaces, build a road around rt1 off farm lane or lighthouse or dows to shopping behind rt 1 add some small walkable shops or outlet malls. Maybe a bike path to beach on side of 286. Reduce speed on the road to 40.	4/5/2024 3:49 PM
202	Social and legal services for support to residents as quite a bit of unlawful activity in this town impeding rights.	4/4/2024 8:34 PM

208	Something more for the kids and elderly	4/2/2024 10:28 PM
209	Please sign the rail trail management agreement with the State of New Hampshire. Getting the rail trail completed would be an asset to the town.	4/2/2024 9:50 PM
210	Develop rail trail	4/2/2024 9:40 PM
211	More sidewalks around town. I find that driving around and seeing many people walking on the side of the road. It's a safety issue and becomes a traffic issue.	4/2/2024 9:37 PM
212	More updated sport oriented areas such as tennis courts/pickleball courts (possibly on the beach), playgrounds that are clean with bathrooms, more centralized areas. Seabrooks recreational activities are all spread out and if they were centralized like a complex somewhere In the middle of town, they would be used more often	4/2/2024 9:36 PM
213	The Community Center could use some updates and ways to engage more community members and perhaps even produce a revenue from such. SES and SMS seem to be running out of space with the growing needs of our student population. As our town population grows, we must account for such. Taxes will increase, but there needs to be a usage assessment on current funds, ways to save in order to spend. There should also be a business analysis done to see ways to make up some funding to help better support entities like the community center or the transfer station.	4/2/2024 9:34 PM
214	Larger school! More classrooms, offices, auditorium, second gym.	4/2/2024 9:08 PM
215	Senior services	4/2/2024 9:01 PM
216	None	4/2/2024 7:50 PM
217	Stop growing. Add more staff to cover the short departments before you think about growing	4/2/2024 7:44 PM

221	More police/firefighters. Bigger recreation department. Senior center. Parks and playgrounds. More beach parking. Beach shuttle?	4/2/2024 5:13 PM
222	The town needs to tax businesses appropriately in order to pay for things for children and elderly, for fire and police, improve our rail trail and help out those of us who live here. You increase our taxes and we can barely afford to live here. The elderly have a meeting at the rec monthly. Why can't they be open daily and have meals on wheels there and large print books and coffee and games just for a hangout. At night, weekends, and school vacations, it's for the children with healthy snacks and games?	4/2/2024 5:07 PM
223	Less expansion and more focus on woods and wetlands	4/2/2024 5:05 PM

226	Developing an alternative safe path ie the Rail Trail will be an important benefit for our town for walking and biking in already crowded streets and it will help promote the wellness of getting outside and exercising and enjoying nature	4/2/2024 4:31 PM
227	Our town needs an updated park for the kids, one that has a nice play area, an outdoor track for students and adults to use instead of having to go to Hampton to use the one at the high school. A few bathrooms at the beach on the residents only parking side.	4/2/2024 4:31 PM
228	Rail trails	4/2/2024 4:21 PM

232	Youth center	4/2/2024 3:58 PM
233	FINISH THE RAIL TRAIL	4/2/2024 3:56 PM
234	Larger playgrounds that aren't just at the school. Water parks/splash pad for families, things to keep older kids busy!! (Middle school/high school age), dog park, more outdoor amenities rather than stores and restaurants.	4/2/2024 3:50 PM
235	Elderly Housing	4/2/2024 3:41 PM

242	Beach nourishment and maintenance. Ocean storm preparations King Tide and climate change preparation.	4/2/2024 2:40 PM
243	Could use the mats at beach entrances. Many elders don't go to the beach anymore. Either have fallen or afraid of falling. Also those in wheel chairs could be wheeled to the mat to enjoy the view. Big Asset for many.	4/2/2024 2:38 PM
244	More places for kids to gather and have fun.	4/2/2024 2:27 PM
245	Help the fire Department to get more firefighters	4/2/2024 2:18 PM

Seabrook Master Plan Survey

246	More for the teenagers they are at an age where it is important to keep them as busy as possible	4/2/2024 2:16 PM
247	Senior center	4/2/2024 2:13 PM
248	Existing structures need to be maintained. There are existing structures that can meet all the needs imaginable. But those structures will need maintenance. If there is any work to be performed there must be a panel of people to assess and negotiate the best rate and best deal on those repairs.	4/2/2024 2:05 PM
249	Senior center.	4/2/2024 1:58 PM
250	More childcare facilities	4/2/2024 1:57 PM

253	Youth center for after school What does Seabrook do by way of a local food pantry and mass transportation?? Not everyone who lives in Seabrook is rich!!	4/2/2024 1:37 PM
254	I am sure the Town will need more police and fire more housing and the schools	4/2/2024 1:34 PM
255	I believe the town has ample facilities but needs to curb spending in other areas to be able to afford to properly maintain what we have. For instance, the tennis courts at the rec center need to be serviced. Is there any money for that?	4/2/2024 1:33 PM
256	Skate park, water fountains around town, better rail trail system	4/2/2024 1:32 PM
257	Need to update town hall permises Landscape Curbs Parking lot Decorate town hall for Xmas very	4/2/2024 1:30 PM
258	This town has many facilities available. It is not a town's mission to provide beyond what this town already has. There are many other opportunities in a 30 minute drive, but users have to pay for the facility's offerings. Which is fine by me, I don't need my taxes to increase for another's entertainment.	4/2/2024 1:27 PM
259	Better sidewalks, help or assistance for homeowners struggling with the excess of water coming into homes from all the rain.	4/2/2024 1:25 PM
260	Pickleball courts	4/2/2024 1:17 PM
261	None	4/2/2024 12:53 PM
262	I would like to see something done with the old community action building at the corner of Rt1 and New Zealand Rd . I know it needs work but something should be done .	4/2/2024 12:43 PM
263	Rec center could be used better and could include senior center meeting space. They could hold more events for kids in town. Lately the rec has been charging the residents the same as residents from Hampton, Hampton Falls, North Hampton, and South Hampton for events...in my opinion it should remain cheaper for resident/tax payers as it always has been as it is a town center.	4/2/2024 12:39 PM
264	I would love to see the the rail trail paved, we currently buse the trail from the fire barn to Newburyport and it is a great place to ride with children	4/2/2024 12:37 PM
265	As it grows??? I mean I've lived here my whole life and the town is unrecognizable now. There's no woods left they have built on ever square inch of land there is. Even the cemeteries that use to be surrounded by trees and woods are built right up next to. It's a shame that it's been allowed. Instead of thinking about growing larger maybe fix the issues that need attention. Make things better for people in town not BIGGER.	4/2/2024 12:36 PM
266	It's own sau admin office	4/2/2024 12:32 PM
